MODES OF INSTRUCTION

To better meet the needs of our growing and diverse student population, Shelton State Community College has expanded our class offerings to incorporate different modes of instruction. By selecting classes based on the mode of instruction, students can choose a learning environment that will best meet their needs. Modes are located to the left of the course description in the schedule. The key below explains each mode of instruction.

CBI - Computer Based Instruction

This is a class with an instructor scheduled at a specific time in a computer classroom on campus. Instruction and assessment are delivered using a computer. Students are required to attend class on campus.

CAI - Computer Assisted Instruction

This is a class with an instructor scheduled at a specific time and location in a computer classroom on campus. Instruction and assessment are delivered with a combination of instructor lectures and computerized assessments. Students are required to attend class on campus.

B - Blended

This is a class with an instructor requiring students to attend a designated number of classes on campus and to complete activities and coursework online. Access to a computer with high speed Internet capabilities is required.

O - Online

This is a class that meets entirely online. Students are not required to come to campus. Students are required to take exams on campus or in an approved proctored environment. Access to a computer with high speed Internet capabilities is required.

Where a mode of instruction is not listed, the class is a traditional face-to-face class with an instructor scheduled at a specific time and location. Students are required to attend class on campus or at a specified location. The instructor may utilize online tools to enhance the teaching and learning process.
